## IMPORTANT INFORMATION:

**Food, Culture & Community Focus.** We partner with projects that support culture, economic development, youth development, and help people have better access to food.

**Are you in the north?** The work must take place in Northern Manitoba ([Province of Manitoba boundary map](#)).

**Does your project benefit a group of people?** We support people and believe in the strength of community. We suggest at least 15 families/households participating.

**Do you have an organization to administer the funds?** We can only give grants to charitable organizations or 'qualified donees' as defined by the CRA. An individual's bank accounts cannot be used to administer funds. Call us and we will work with you to figure out a way to administer funds.

### Grant types & amounts

Small:	\$1,000 - \$8,000
Project Planning:	\$1,000 - \$15,000
Regular:	\$8,000 - \$30,000

**Project start & completion dates.** Grants are awarded in early March 2022 and spending should be completed by December 1, 2022. Sharing back to us about your project happens by December 1, 2022. Extensions are possible, just talk to us.

### Your Responsibilities:

If you receive a grant, we will ask the following things of you and your community.

1. **Financial Responsibility.** Spend the money as planned and provide documentation. Talk to us if your plans change.

2. **Story Sharing, Pictures & Learning.** Tell us what happened, we want to learn from you! Why is the project important to your community? What worked well? What was difficult? There is no set reporting template. Instead, we ask you share with us the important things you think we should know and learn about your project. Together we become stronger.
3. **Sharing with others.** Please share your skills, knowledge and ideas with other communities. Additionally, we will host conference calls to share stories with others who partner with us.
4. **Hosting Visitors.** You may be asked to help host us in your community. We like to visit and learn!

### Our Responsibilities:

These are the things you can expect from us:

1. **Respectful Partnership.** We will be respectful and clear. We want to partner with and stand with your community or organization on your journey. We want to learn from and with you.
2. **In-kind Support & Information Sharing.** We support your work financially; by telling others the story of your project; by sharing other grant opportunities; by facilitating gatherings to benefit your work; and by supporting travel to conference and meeting opportunities.
3. **Listening.** We will listen to your ideas and to your questions, comments, concerns and challenges. We want to continue learning and improving supports for communities.

Learning Trip 2019 – Peguis First Nation

## BACKGROUND INFORMATION:

**Our Partners:** The NMFCCC is a group of northern people and funding organizations. Northern Manitobans providing advice, support and guidance to the collaborative are Hilda Dysart (South Indian Lake), Becky Cook (Misipawistik Cree Nation), Sofia Rabliauskas (Poplar River First Nation), Carl McCorrister (Peguis First Nation), and Marlyn Cook (Misipawistik Cree Nation).

Participating funding organizations include: Province of Manitoba, MakeWay, two anonymous donor, McConnell Foundation, SeedChange, Bauta Family Initiative on Canadian Seed Security, the Sprott Foundation, Maple Leaf Centre for Action on Food Security, Harbinger, Lawson Foundation, Donner Canadian Foundation, Arrell Family Foundation, and generous individuals.

**NMFCCC:** The NMFCCC was created because community members asked for relational and networked allies, and because Northern Manitoba is underserved by the philanthropic (charitable) community. The NMFCCC stands with communities to support community-led food sovereignty work.

By sharing experiences, resources, wisdom and learning, and focusing our energies on Northern Manitoba, we expect to take part in support sustained and positive community-led change that includes better access to good food, improved community health, stronger local economies and food systems, and the development of local capacity and community champions. MakeWay is proud to host and provide support to the NMFCCC.
